

Penguin Egg Cozy

Pattern by RCL

Intro

Your cute little penguin friend helps you to keep your chicken egg warm and cozy for your comfy breakfast.

For an EU egg size of M (53–63g). Might also work for size L (63–73g, untested).

[Note: US abbr pattern]

FACE

BLACK Embroider the eyes at round 5 or use safety eyes.

i

I embroidered square shapes using the four holes around an individual sc.

But only using two holes to form a line from the top to bottom also looks cute.

ORANGE Embroider the beak at round 7.

i

I embroidered a triangle shape with a width of 2sc.
